

How do you communicate with a fish?
You drop him a line!

Why do postmen carry letters?
Because the letters can't walk by themselves!

What was the first ever letter?
A!

What did the stamp say to the postcard?
I've become attached to you!

Where do you place letters addressed to boys?
In a male (mail) box!

What two words have 1000 of letters in them?
Post Office!

What stays in the corner yet travels around the world?
A postage stamp!

What did the postcard say to the stamp?
Stick to me and we will go places!

What eight letter word has one letter in it?
Envelope!
