Hi Hailey,

Bonjour, that means hello in French! I am standing on top of the Eiffel tower. We have a great view over the whole city. We took a boat ride along the Seine River and stopped at the Louvre to see the famous painting of Mona Lisa.

Hi Hailey,

I am in Italy where the Romans lived! Today, we visited the Coliseum, where the gladiators were fighting 2000 years ago. I love the Italian ice cream and of course the pizza.

Hi Hailey,

Many greetings from Kenya, Africa. It is really amazing here. We are driving with a jeep through the National Park and we saw many wild animals so far: several elephants drinking at a pond, a herd of zebras grazing, and even a lion!

Hi Hailey,

We enjoy California a lot. We were taking a bike tour over Golden Gate Bridge and back. We also took a ride on the famous cable car. The streets are so steep here, it feels like being on a roller coaster!

Hi Hailey,

I am at the Great Wall of China. The Chinese built this wall to protect the northern borders of their empire. It is so big and so long, approximately 6800 km! We were on it for several hours.

Hi Hailey,

I am at the great pyramids in Giza. They are amazing. It's still a mystery how the pyramids have been constructed. Thousands of slaves had to haul the big rocks to build them because cranes were not invented then. The Sphinx was also very impressive. I am glad we didn't get lost in the maze of the pyramids!

Hi Hailey,

The ancient Incan ruins of Machu Picchu are fantastic! They were built almost 600 year ago. Archeologists believe that this was the estate of the emperor Pachacuti. We are surrounded by the beautiful green landscape in the mountains.

Hi Hailey,

Greetings from the Big Apple! We took the Circle Line, passed the Statue of Liberty, and then went to the top of the Empire State Building. Wow, we could see all the big skyscrapers, Central Park and even parts of New Jersey! The people looked like ants from up there.

Hi Hailey,

I am hiking in the Swiss Alps. Today we took a train to see the famous Matterhorn that you can see on the postcard. This mountain has snow all year round! Some people are climbing on top of it.

Hi Hailey,

Grand Canyon is grand indeed!! If you stand at the edge of the Canyon it is breath taking. The different layers of rock are thousand and thousands of years old, all washed out by the Colorado River.

Hi Hailey,

Mickey and Minnie say hello! We visited Cinderella's castle and enjoyed all the theme parks. The roller coasters are a blast, and the fireworks at night are beautiful!

Hi Hailey,

Hola from Mexico! We were at the Mayan pyramids. They were impressive with all those steep steps. We also saw the ancient ball court, where the Mayan played a ball game. Now we are chilling out on the beach!

Hi Hailey,

Many greetings from Taj Mahal. This palace is beautiful and exquisite, all in white marble! 360 years ago, Shah Jahan built the Taj Mahal as a memorial and burial place for his wife, who died during the birth of their fourteenth child.

Hi Hailey,

Greetings from down under! We didn't see any Kangaroos yet, but, we are enjoying this city. We took a harbour tour, and we heard a concert at the opera house. The architecture of this building is amazing! We also visited the botanical gardens, which are beautiful. Crocodile Dundee would be proud!
